We're in the
news!

In your travels around Brevard you may have noticed Space Coast Medicine and Healthy Living or Brevard National Health Review magazines. Pick the current ones up and you'll find articles in each by Smile Design Center.

Space Coast Medicine is the newer publication, which showcases the medical talents in Brevard. We were invited to write an article on High Tech Dentistry. Their website: www.spacecoastmedicine.com links readers with health related topics.

Brevard National Health Review has been around longer and it brings relevant health related topics to the reader. We were invited to write 'The Anatomy of the Mouth'. Our article is located on page 39 in this publication, available widely and archived at on our site at www.nationalhealthreview.net. Dr. Edwards was pleased to accept the offer to sit on the board of Brevard National Health Review.

We are happy to be involved with both these fine publications whose dedication is to provide a service to the community, just like ours!

Change in the Air

For those who have been to the office recently, you may have noticed a couple new progress changes in some of our Team.

Lisa

Our practice administrator is due to have a baby boy next month. The pregnancy is going well and Lisa is planning to be back at work after a short maternity leave.

Cristi

(Above right) We have a new dental assistant, who joined the staff in the fall of 2007. She is an experienced EFDA (expanded functions dental assistant) and we are thrilled to have her on board.

Monika

She returned to school full time in the fall to pursue nursing and is currently working part time.

Kathleen

(Above left) She is the most recent addition to our team; Kathleen has 15 years experience as a dental supply representative. She is Anne, our hygienist's sister. Kathleen will be helping out part time during Lisa's maternity leave and we are happy to have her with us. She will be helping out in the front office as well as in the clinical area.

Brandy

She recently has taken a medical leave of absence and we wish her a quick return to health.

Need to schedule a an appointment or cleaning recall with Anne? Call us at 321- 751-7775
